

## CAREER SERVICES HIGHLIGHTS

Career Services helps students land their dream jobs after graduation by preparing them with interview skills, polishing their resumes and connecting them with employers through career fairs and networking opportunities.

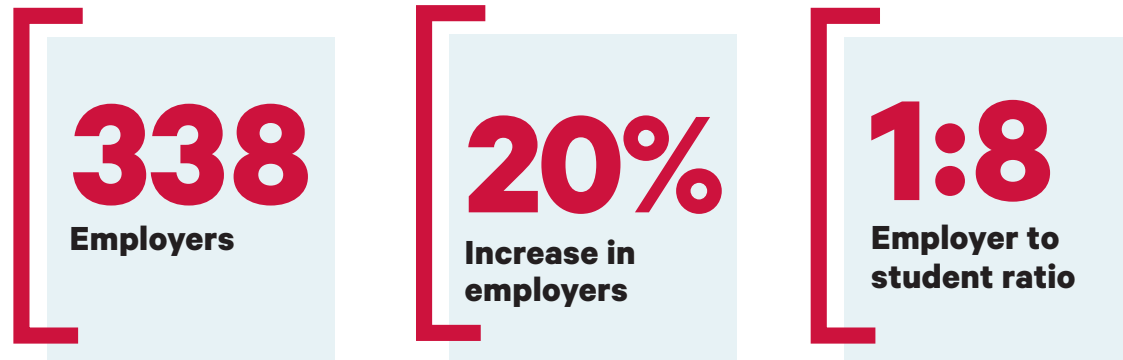

**MSOE students are in demand.** Our Fall 2019 Career Fair had a record high turnout with 338 employers in attendance, resulting in a 1:8 employer to student ratio. Our competitors have substantially higher ratios, ranging from 22-71 students per employer. At MSOE, we provide more opportunities for students to connect and have meaningful conversations with employers.

New this year, we developed a Peer Coaching Program where students receive one-on-one coaching from their peers to prepare for interviews.

### 2018-19 Snapshot

- **Resume Raid**
  - 234 students participated in resume raid
  - 37 employer representatives critiqued resumes
- **Mock Interviews**
  - 70 students participated in mock interviews
  - 22 employer representatives conducted interviews
- **On-campus Interviews**
  - 390 interviews were conducted by
  - 18 employers
- **Job Postings**
  - 9,345 internship and full-time job opportunities were posted on Handshake

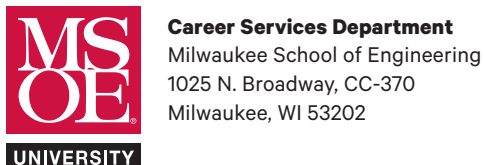

## FALL 2019 CAREER FAIR

### Peer Comparison

School	Number of Employers	Number of Students	Employer to Student Ratio
<b>Milwaukee School of Engineering</b>	<b>338</b>	<b>2,746 students</b>	<b>1:8</b>
University of Wisconsin – Platteville	385	8,712 students	1:22
Rose-Hulman Institute of Technology	92	2,304 students	1:25
Michigan Tech	177	7,000 students	1:39
Illinois Institute of Technology	109	7,792 students	1:71

Information contained within this publication has been compiled from data for the 2018-2019 academic year during which 87% of graduates reported their employment to Career Services.

# 2020 CAREER SERVICES ANNUAL REPORT

For the class of 2018-19 graduates

At MSOE, our students get more than just a degree. They get more personal attention, practical experience and career power. **We call it the MSOE Advantage.** That advantage is measurable: just consider our enviable **96% graduate outcomes rate** and **\$65,428 average starting salary** (the highest early and mid-career salaries of any Wisconsin university, according to *PayScale Inc.*).

**Dear MSOE Community Members and Friends,**

Thank you for your continuous support of Milwaukee School of Engineering. The 2018–19 academic year was one for the books with a record setting Career Fair, an increased placement rate, a higher average starting salary, and 534 smiling students who walked across the stage to receive their diplomas.

We are incredibly proud of our students and their dedication to achieving success after graduation. MSOE has a 96% graduate outcomes rate and the average starting salary for all bachelor’s degree students is \$65,428. With success like this, it’s no wonder we were ranked as a Top Ten University in the Midwest by *U.S. News & World Report*. The ROI for an MSOE education is at an all-time high and will continue to grow.

Career Services is dedicated to making it as easy as possible to get a valuable internship or full-time job. Our career fairs in September and January are some of the largest, per capita, in the country—a strong testimony that MSOE students and alumni are in high demand.

Our team members also are career coaches dedicated to assisting students and alumni with all aspects of their career development, from searching for a job to accepting an offer. We also help with graduate school applications.

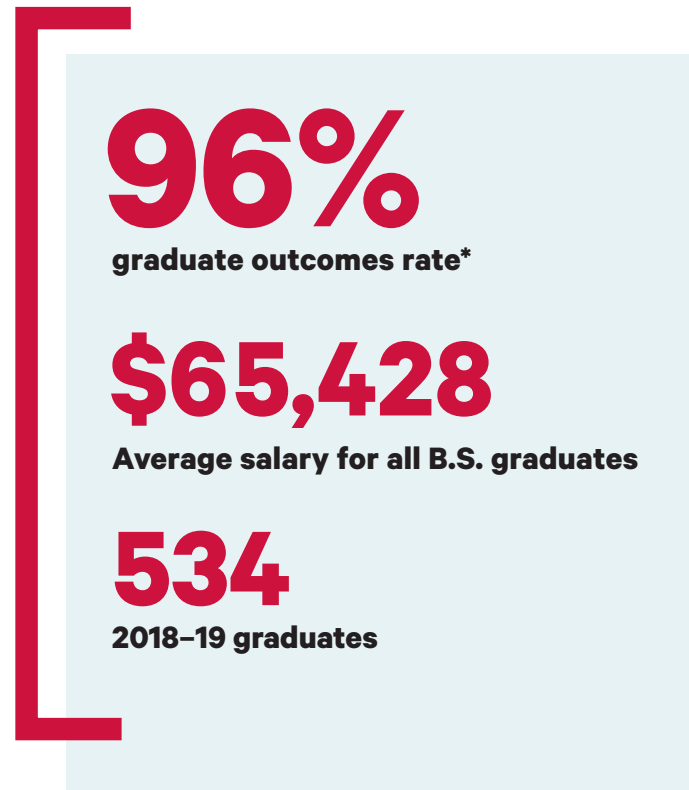

I hope you enjoy this overview of our 2018–19 graduating class outcomes. We appreciate your interest and support of our students. Go Raiders!

Sincerely,

Julie Way  
Director of Career Services

**AN MSOE DEGREE PAYS OFF**

**Value of Investing in MSOE**

For students, the cost of MSOE tuition is an investment in their futures with an extremely high return on investment (ROI). In fact, in a recent report from the Georgetown University Center on Education and the Workforce entitled “A First Try at ROI: Ranking 4,500 Colleges,” MSOE was at the top of the list, offering the highest ROI of all colleges and universities in Wisconsin, Illinois, Iowa and Minnesota that offer bachelor’s degrees.

\* Graduate Outcomes Rate is 96% (number of domestic graduates satisfactorily employed, plus grad school, plus military, plus not seeking, divided by number reporting) We have information for 398 individuals, or 87% of the domestic graduates | 7% of reported domestic graduates are furthering their education
