“ The Career Connections Center was incredibly helpful with not only reorganizing my resume, but also helping me rephrase and amplify my experience so that it popped. This made me more confident in applications, and they also helped me become very prepared for interviews by guiding me through preparing answers to a bunch of example questions. Visiting the Career Connections Center not only helped me land a summer internship, and it’s also given me confidence in how to continue my job search in the future. **My experience working with the Career Connections Center was fantastic – I felt welcome, that they really wanted to help me, and they always had my best interests in mind.** I would absolutely recommend students to visit them. I got an internship through LinkedIn shortly after the Career Connections Center helped me optimize my LinkedIn profile.”
