

2022-23 HIGHLIGHTS

Our mission at the Career Connections Center is to help students and alumni find meaningful work experiences while at MSOE, a rewarding career upon graduation, and receive a significant ROI for their hard work and financial investment in earning their MSOE degree.

We're dedicated to making it as easy as possible for students and alumni to get internships and full-time jobs. At MSOE, we provide valuable opportunities for students and alumni to make meaningful connections with employers through career fairs and networking events. We also offer access to thousands of job opportunities nationwide with our robust online job search and recruiting system powered by Handshake.

Students and alumni count on us to help them with their job search and assist them with any and all things career: standout resumes, confident interview skills, salary negotiations, compelling online profiles, grad school applications, and more.

CAREER FAIRS

Fall 2022 364 Employers	Fall 2023 405 Employers
(MACC) Actuarial 2022 22 Employers	(MACC) Actuarial 2023 23 Employers
Winter 2022 158 Employers	Winter 2023 182 Employers
Nursing 2022 22 Employers	Nursing 2023 34 Employers

2022-23 Programming Summary

Development & Programming	Resume Raid & Mock Interviews	Nursing Mock Interviews
1,238 student & alumni appointments	444 students participated	72 senior students participated
31 student org & classroom presentations	45 employer reps volunteered	37 employer reps volunteered
1,117 student attendance at presentations		

CAREER CLOSET

In the fall of 2022, we opened our Career Closet. MSOE wants to ensure all students feel professional and confident to attend career fairs and interviews. More than 436 students benefited thus far from the professional clothes and shoes that were donated.

CORPORATE PARTNERS

The Career Connections Center greatly values our corporate partners. These companies specifically target MSOE students in their recruiting efforts, and it's through their generous donation that we can provide additional services and benefits to our students and alumni.

2024 MSOE CAREER CONNECTIONS CENTER ANNUAL REPORT

THE MSOE ADVANTAGE

At MSOE, our students get more than just a degree. They get more personal attention, practical experience and career power. **We call it the MSOE Advantage.** That advantage is measurable: just consider our enviable **99% graduate outcomes rate** and **\$76,647 average starting salary** (the highest early and mid-career salaries of any Wisconsin university, according to *PayScale Inc.*).

Dear MSOE Partners, Friends and Community Members,

We first wish to thank you for your support of MSOE. The Career Connections Center experienced a number of record-breaking events this year. We hosted our largest Fall Career Fair with 405 employers, as well as our largest Winter and Nursing Career Fairs—what a significant indicator of the demand of our students!

For the second year in a row, I'm excited to announce our 99% employment success rate! This accomplishment is a great reflection of students' hard work, as well as the work from leadership, faculty and staff to educate and support them.

Our Corporate Partner Program has grown to 22 partners. Through their generous donations, we've been able to hire another career coach as well as grow the services of our Career Closet, which has been used by more than 436 students since we opened the doors. They have our sincere gratitude.

I'm extremely proud of the work our small team does to bring great benefit to students and alumni. It's very gratifying to see a significant increase in student engagement with personalized career coaching, website visits, as well as collaboration with campus departments and student organizations. Students have come to know they can count on us for help with all things career.

Please enjoy this overview of our 2022–23 successes.

Sincerely,

Julie Way

according to *PayScale Inc.* (2023)

2nd Best
University in the Midwest according to *U.S. News & World Report* (2024)

Value of Investing in MSOE

For students, the cost of MSOE tuition is an investment in their futures with an extremely high return on investment (ROI). In fact, in a recent report from the Georgetown University Center on Education and the Workforce entitled “Ranking 4,500 Colleges by ROI (2022),” MSOE was at the top of the list, offering the highest ROI of all colleges and universities in Wisconsin, Illinois, Iowa and Minnesota that offer bachelor’s degrees.

STARTING SALARIES AND GRADUATE OUTCOMES

Average Starting Salaries	2023	2022
